

SHAPING THE FUTURE OF CVET WITH AI

Inclusive Trainers
Ethical AI for Inclusive CVET

*EMPOWERING TRAINERS
PROMOTING INCLUSION*

Artificial Intelligence is transforming vocational education and the labour market.

Inclusive Trainers equips CVET trainers with the skills, tools and ethical awareness to integrate AI responsibly, fairly and inclusively into their teaching practices.

- Ethical & Inclusive AI Training Platform
- Virtual Lab on AI & Diversity
- Digital AI Resources Bank
- Multilingual Open Educational Resources
- Pilot Testing Across Europe
